

The 3 P's of God Presence

Rev. Simon Tan

01

Problem

The problem is this:

If God is present everywhere, why do I sometimes feel He is so far away?

God's omnipresence

VS

Manifestation of the Presence of God

- He is always there, even when the awareness is not
- His Holy Spirit indwells believers at all time

- Something that occurs in our lives as He chooses to reveal Himself

02

Promise

**Do not allow the darkness of the nights of the
presence of the storm cause you to doubt whether
God is present and working in our life**

03

Practice

God wants to be present in our lives
Wants to walk with us (you)
To accompany us

God's Presence to accompany us,
we must keep ourselves such that
He can abide with us
